- Angie presented the quarterly numbers to the committee. We discussed what unduplicated riders meant vs number of rides. We discussed the different services and why they are tracked the way they are. Numbers remain steady.
- Lisa reported that the new bus stop signs have arrived and the crew will be putting them together. Wes suggested that a stop on Alder by the Central Hotel would serve the whole of Broadway better. Kathie agreed it would be good to add a stop on that end and Bev stated she would like that as well. Lisa said they would look at it and see what would work. She said she was shooting for the end of May to get the new route timed and signed.
- New Ford Escape- Lisa reported that the new Escape was needed for out of town trips. The other one was placed back in the Home Delivered Meals fleet. It is paid for already with the medical rides since it was purchased.
- Grants applied for and projects-Angie talked about the three grants she wrote for that were mid-biennium opportunities. They cover preventative maintenance and purchase three vehicles. IF the vehicles are awarded we don't expect to have delivery until 2026.
