STIF
July 8, 2024
2:00PM

- Call STIF meeting to order
- Present were Lisa Moody, Darlene Needham, Cheryl Land, Wes Jones, Linda Kaesemeyer and Angie Temple.

- Lisa asked that we go to the last page and talk about the new policy for refusal of service due to behavior.

- The minutes from the April 2024 meeting were approved by Wes and Cheryl.

- We discussed openly (without notes), the policy for refusal of service due to behavior. The committee was willing to agree to whatever Angie and Lisa felt was fare. Lisa explained that we did not have any written policies in place for bad behavior previously, and that this document has been approved by ODOT.

- We talked about the new buses coming as well as the new bus that has arrived. Lisa explained that we are at the mercy of the bus companies when we will get our new busses.

- We talked about ridership and Lisa explained that it was down due to it being summer time, but not to worry has we will have one less driver (Johnathan is off to fight fire) and more out of town rides available.

- The new fixed route project is still being worked on. All of the bus stops have been established and the signs are placed. Lisa explained that all the drivers are being trained on the new route and the route brochure will be out by the end of the week. 7/10/2024

- 2:25 meeting adjourned. We all loaded up in the new bus #20 and Lisa took the committee for a ride.

Respectfully submitted,

Lisa Moody.
