Open enrollment for Medicare is **October 15th through December 7th**, annually. Certified SHIBA (Senior Health Insurance Benefits Assistance) counselors are available Tuesdays & Thursdays at Harney Hub from 9 a.m.-noon to answer questions and/or help with enrollment in a prescription drug and/or Medicare Advantage plan. Let us help!!

During this period, a local Medicare counselor can help you review your Rx Plan or Summit MA Plan. This time period is when people with Medicare can enroll in a new or different Summit MA plan or switch Prescription plans if they want to without any penalties.

During this time period, you are allowed to change your coverage if:

- Your Prescription plan premium has a big increase.
- A different company offers a better plan than what you're currently enrolled in.
- You are moving to this area, and a different plan may be better than your current plan.

Do you find it difficult to pay your Medicare premiums and prescription copays? Has your income decreased? Your Local SHIBA Counselor may be able to help.

Call Kathleen at Harney Hub:
541.573.6024 Ext: 1016 to request an appointment.

How You Can Help Prevent Medicare Fraud

Prevent

Detect

Report

Be the first line of defense in protecting your Medicare benefits.

- **Treat your Medicare card like a credit card.** Your Medicare number can be valuable to thieves who want to steal your medical identity or bill Medicare without even seeing you.
- **Don't take advice or offers of medical services** from people you don't know who call, come to your house, or approach you in public.
- **Read your Medicare Summary Notice or Explanation of Benefits.** Look for services or equipment you didn't receive, double charges, or things your doctor didn't order.
- **Ask questions and report problems.** Call the doctor or company and ask them about mistakes. Call the insurance company if you still have questions. Get help from your local SMP.
- **Volunteer.** No one cares more about keeping criminals out of Medicare than the people who need it. Become a part of your local SMP program. Help protect your friends and neighbors.

Your local SMP at Harney Hub can help, call Kathleen @ 541-573-6024 Ex: 1016 to schedule your appointment!

How Your Senior Medicare Patrol (SMP) Can Help

Your local SMP is ready to provide you with the information you need to **PROTECT** yourself from Medicare fraud, errors, and abuse; **DETECT** potential fraud, errors, and abuse; and **REPORT** your concerns. SMPs and their trained volunteers help educate and empower Medicare beneficiaries in the fight against health care fraud.

Your SMP can help you with your questions, concerns, or complaints about potential fraud and abuse issues. It also can provide information and educational presentations.

EDUCATION PART 1- STATE EDUCATION BENEFITS

VETERAN EDUCATIONAL BRIDGE GRANT

The Veteran Educational Bridge Grant is administered by ODVA to help student veterans achieve their educational goals. This grant is specifically designed to provide some support to student veterans that find themselves unable to complete their academic programs on time due to unavailability of a required class. The Veteran Educational Grant offers up to $5,000.00 to veterans that meet the eligibility requirements. For more information or to fill out an application, visit www.oregon.gov/odva/agency-programs/grants/Pages/Educational-Bridge-Grant.aspx.

COLLEGE CREDIT FOR MILITARY TRAINING

All universities and local community colleges in Oregon use the recommendations made by the American Council on Education (ACE) to award academic credit toward a degree for education and training received in the military. To claim college credit for military training, request a transcript from your military service branch. Each service branch will provide official copies to schools at no charge.

VOYAGER TUITION ASSISTANCE PROGRAM

Voyager is a tuition benefit that is available to honor and support Oregon residents who served the nation as members of the National Guard or Reserve in an active duty capacity in a combat zone since Sept. 11, 2001. Voyager is a "last dollar award." Qualifying students will be awarded a fee remission for no more than the difference between campus tuition and mandatory fees and expected military tuition benefits. The student is responsible for obtaining federal military tuition benefits. If a student is not eligible for federal tuition benefits, they must demonstrate proof of ineligibility.

Application forms and process information is available at campus financial aid offices. Contact your university financial assistance department for more information.

NON-RESIDENT VETERAN IN-STATE TUITION

Nonresident veterans who are pursuing undergraduate studies pay tuition rates and fees no greater than the Oregon resident rate. Veterans must establish Oregon residency within one year of enrollment at one of the seven university campuses. To qualify, the nonresident veteran must have served in the Armed Forces of the United States and been relieved or discharged from that service under honorable conditions.

Eligible non-resident veteran students should contact the financial aid office at Oregon Universities to request the benefit.

STATEWIDE APPRENTICESHIPS

Oregon Apprenticeship Opportunities Statewide is offered through the Oregon Bureau of Labor and Industries (BOLI). If eligible, an apprentice may use veterans' educational benefits while registered in an apprentice program. If an existing apprenticeship program does not have an approved veteran's program in place, veterans can coordinate the establishment of a new training program by communicating with an employer and the Apprenticeship and Training Division. Contact the Oregon Bureau of Labor and Industry at 971-673-0761 or www.oregon.gov/boli/apprenticeship/Pages/default.aspx.

For further questions or to enroll for educational benefits, contact Brian Needham at 541-573-1342 to make an appointment. *The above information was provided by the Oregon Department of Veteran Affairs from the 2022 Annual Benefits and Resources Guide for Oregon Veterans and Families.*

HARNEY HUB

Harney Hub's
Project Backpack!

Harney Hub was excited to be a part of children's early school experience. We put together 48 backpacks would help children get set for a year of learning.

These back to school backpacks included items every child would need throughout the school year. We were able to send out to our rural schools as well as Filmore preschool! We were happy to help!

MEDICAID RIDE SCHEDULING

Due to regulations from the State of Oregon, all medical transportation for Medicaid recipients must be scheduled through a regional broker. Mid Columbia Council of Governments Transportation Network is the agency contracted to operate this transportation program in our area.

Our Harney Hub Transit dispatcher receives notice daily for rides to be scheduled. Any medical ride requiring same day service will be called in to our dispatch center by the brokerage.

This applies to medical rides only, you may still schedule other rides through our center yourself. If you have any questions or concerns regarding this program, please contact your case manager or caregiver.
